

Accommodation Tips

For general information about your first steps and to-do's when you start your studies in Hamburg see:
<https://www.uni-hamburg.de/piasta/beratung/doc/willkommen.pdf>.

Please be aware of the fact that it is **your own responsibility to find a place** to live before beginning your studies at the IFSH. At the beginning of the winter semester it is rather difficult to find apartments or rooms. For this reason, it is advisable to apply for a flat or a room in a student dorm as early as possible (immediately upon receipt of the admission).

When you move to Hamburg it is obligatory to register your new place of residence. Please make sure you make an appointment online maybe even before you move to your new home, since the offices are rather well attended. The appointments you can book are usually 6-12 weeks later and you would need a proof of registration for opening bank accounts, your mobile phone contract ect. For information see:
<https://www.hamburg.de/behoerdenfinder/hamburg/11252936/>.

Where can I live?

You can rent a room in a student dorm, in a shared apartment or you get your own place. Typical rent prices in Hamburg are between 180€ and 500€ per month. Rooms in student dorms may be cheaper.
